EXTOL AFFILIATES × DAVID SAMUEL

Working together to win *new* clients

Who we are, what we offer, and how you can help.

MONDAY 26 OCTOBER 2026

TODAY

Four questions, answered *in order*

01	Who we are	What Extol does, in one line
02	What we've done	The clients we've worked with so far
03	What we offer	The system, why each part exists, and what it costs
04	Your role	How you can help, and how we'd work together

01

Who we are

What Extol does, in one line.

We make experts the name buyers *think of first*

01

What we do

Position the expert as a thought leader, then put them in front of the right buyers every week.

Who we are

Devasya Dwivedi
Anshul Mikita Prajapati

How we work

AI agents do the heavy lifting. Nothing goes out without the client's approval.

The problem: buyers don’t know *great experts* exist

01

No time

Experts are busy doing the work. Marketing comes last.

No system

New work comes only from referrals, so growth can’t be planned.

Too much noise

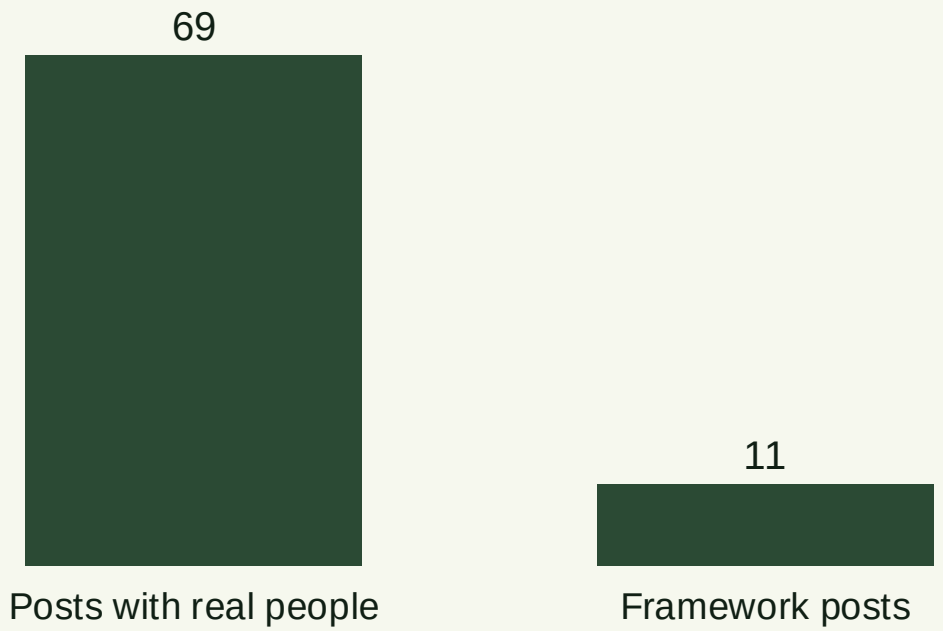

Buyers ignore generic, AI-written posts and messages.

Real example: a former Big Four partner had 1,597 LinkedIn followers and 9 reactions per post. Expert, but invisible.

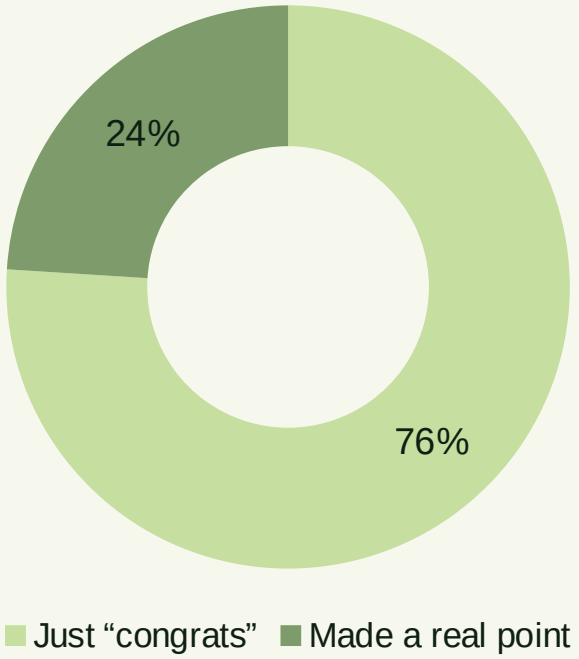

The audit shows it: real stories get *6×* more attention

01

Average reactions per post

What their comments said

The expertise is there. It just isn’t reaching buyers in a way they notice.

02

What we’ve done

The clients we’ve worked with so far.

Three clients, three markets, *one method*

02

CLIENT	WHAT THEY SELL	WHAT WE DID
3D Images AI	3D product models for Amazon	Outreach to 2,100+ Amazon brand owners
Bloggerly	SEO articles for businesses	LinkedIn campaign; leads now asking for calls
UK consultancy	Finance and SAP advice	Full growth plan, delivered the day after the first call

Our own proof: when Extol's LinkedIn page reached about 50 followers, *new clients started coming to us.*

03

What we offer

The system, why each part exists, and what it costs.

The goal: position the client as a *thoughtful leader*

03

Presence
Feeds, inboxes, webinars and communities.

Proof
Client stories and results, named only with permission.

A clear point of view
Weekly posts that take a side, in their own voice.

One signature idea
The line people remember and repeat.

Not an influencer.
A voice buyers trust.

Buyers of big contracts never buy from one post. They buy from the person whose thinking they have followed for months, so when a budget lands, that is the first name they call.

The system has *six parts*, and we run all of them

03

LinkedIn, run by agents

Profile, posts, comments, connections and follow-ups.

Cross-platform posting

One idea out to X, Instagram, Threads and Substack.

Webinars

A monthly session that turns followers into conversations.

Community on Skool

A home for the audience: waitlist, cohorts, membership.

Website and articles

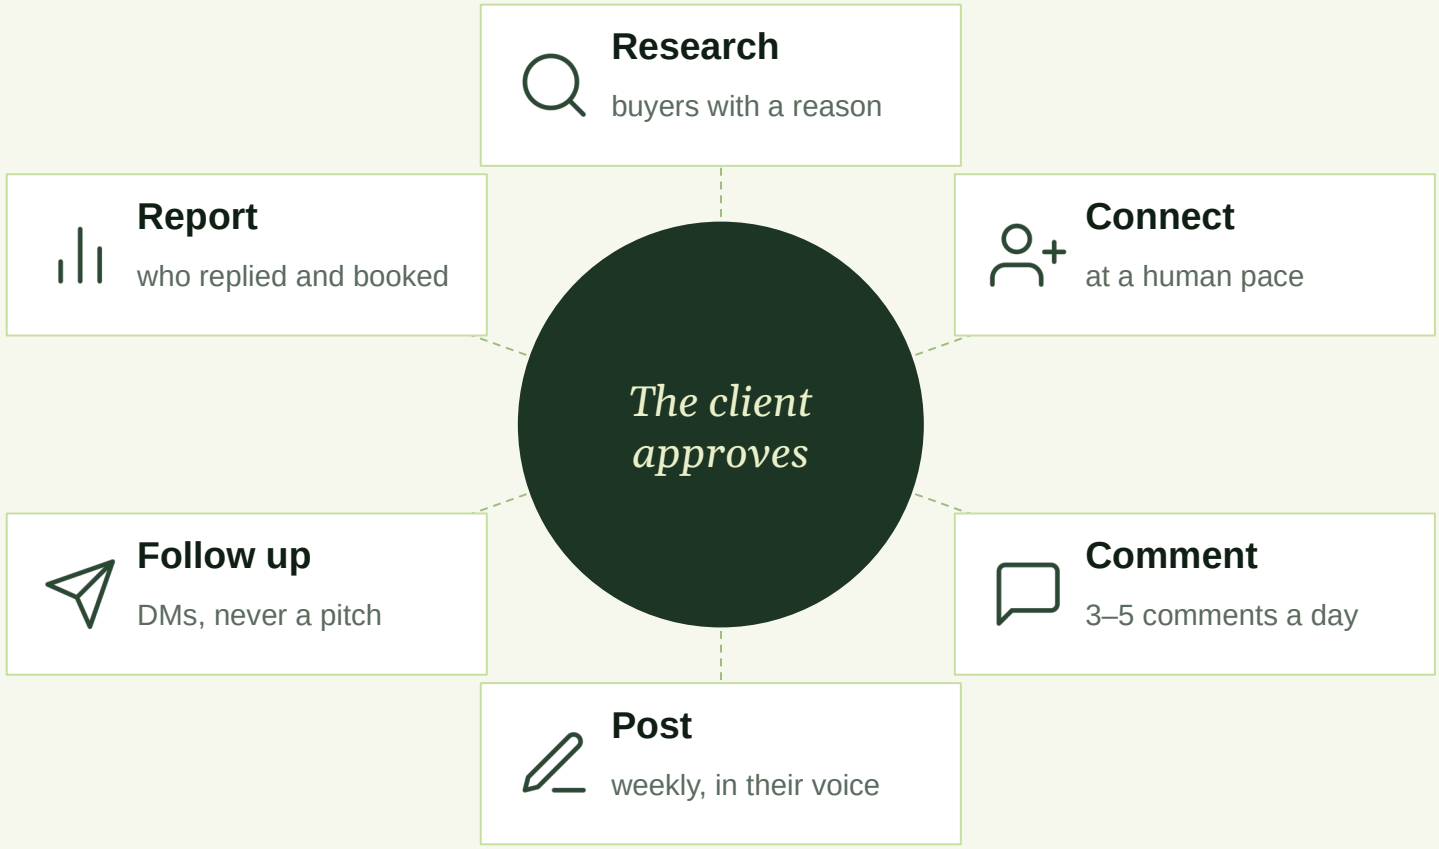

One place to land, and articles that rank in search.

Reporting

A live dashboard and a monthly review of what works.

LinkedIn runs on *agents*, end to end

03

WHAT THE CLIENT DOES

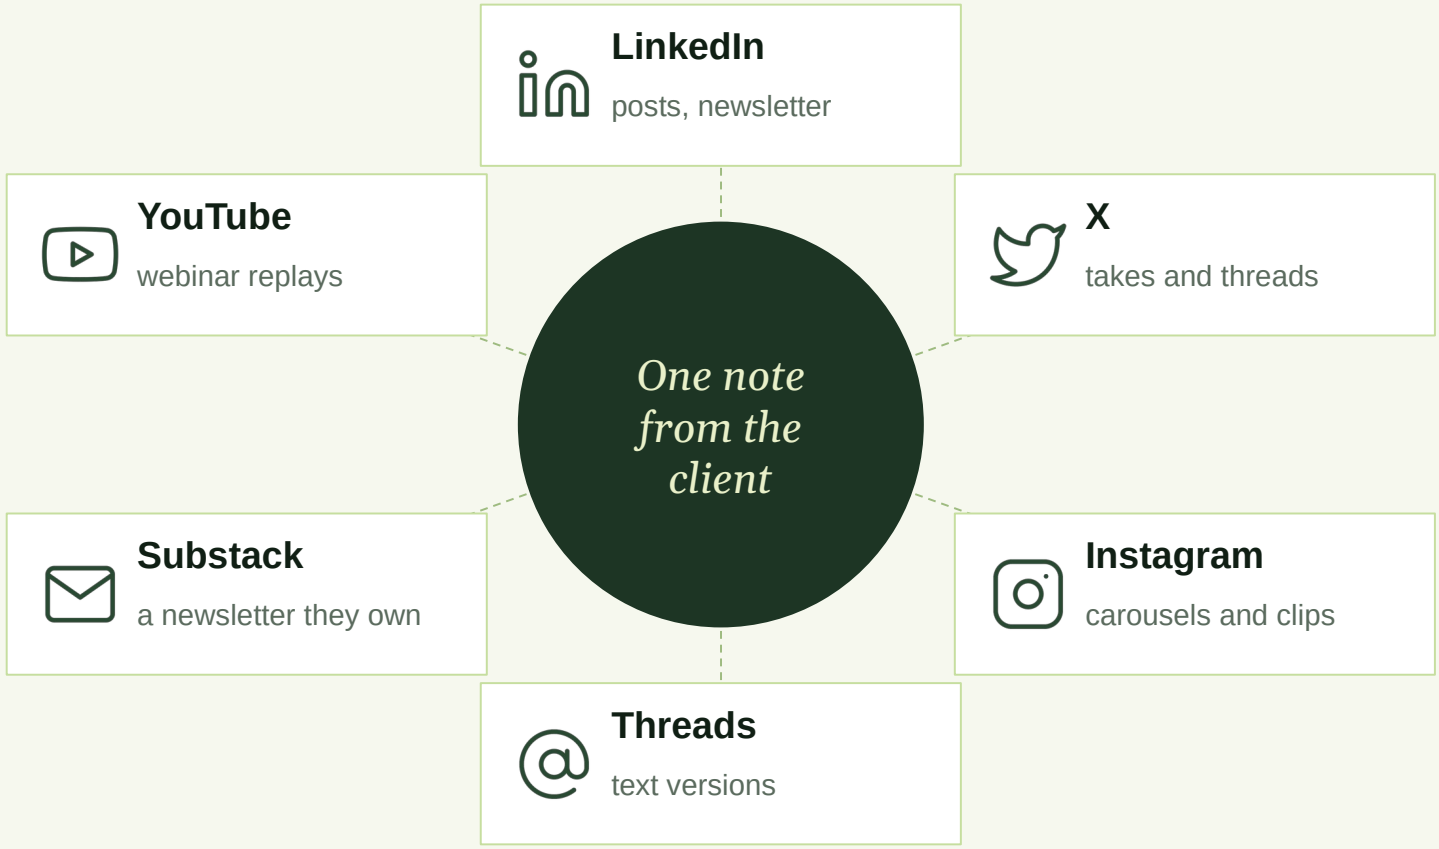

About 10 minutes a day, approving drafts on their phone.

WHAT THEY NEVER DO

Write from scratch, chase connections, or remember who to follow up.

One idea, published *everywhere* buyers look

03

WHY

Write once. Be seen in six places.

Buyers don’t all live on LinkedIn. The same thinking reaches them wherever they read, and the newsletter builds an audience the client owns.

Webinars and community turn followers into *clients*

03

Webinars

MONTHLY, 45 MINUTES

- Buyers bring a real problem; the expert solves it live
- Every session cut into clips for all platforms
- Every attendee followed up within 48 hours

Community on Skool

THE AUDIENCE'S HOME

- A waitlist and a free taster to start
- Paid cohorts and a self-paced membership
- Agents handle admin, prompts and reminders

Every piece passes our *Taste* system

03

200+

proven posts, reels and websites studied and broken down: why each one works, and when to use it.

1 

Match

Each piece is matched to the one reference that fits it.

2 

Apply

We use its craft: structure, pacing, type and layout.

3 

Never copy

Their assets stay theirs. Colours and voice stay the client's.

This deck itself was designed from one Taste reference.

How it works: *2½ hours* a week from the client

03

CLIENT

Sends one short note a week

→

EXTOL

Agents turn it into posts, clips and messages

→

CLIENT

Approves on their phone

→

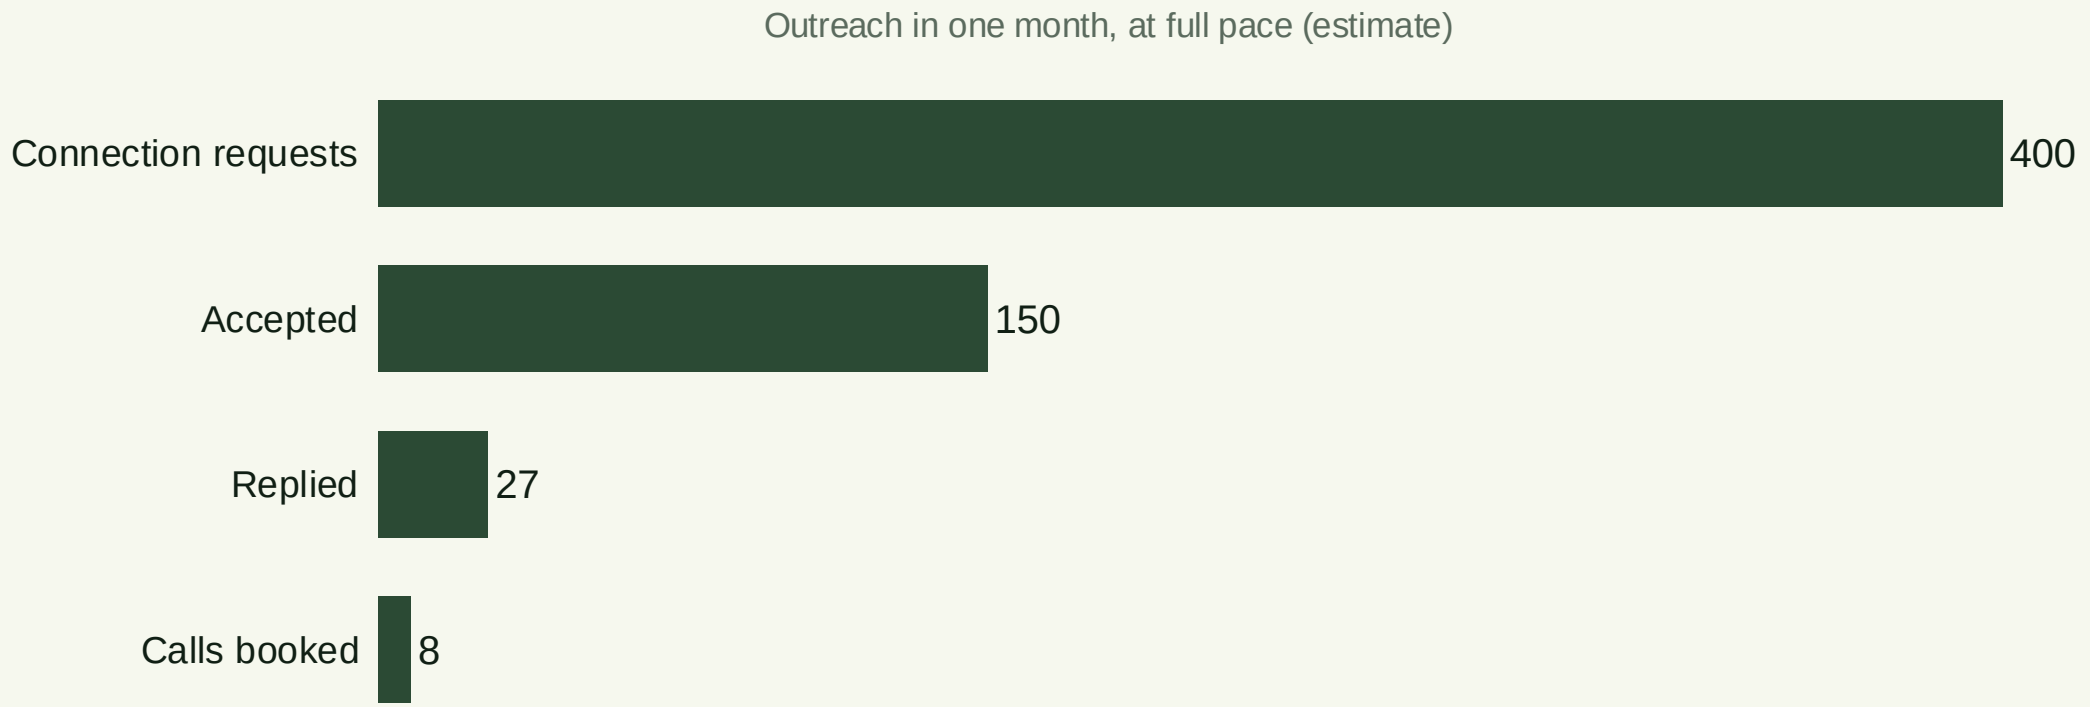

EXTOL

Publishes everywhere and reports results

Nothing is ever published without the client's yes.

What we expect outreach to produce *each month*

03

Planning estimates at full pace (20 requests a day), not yet proven results.

Leads should *build up* month by month

03

BY MONTH 6

100	leads a month
10	real sales calls
2–3	new clients

Forecast, not yet proven. Big contracts take 6–12 months to close.

What it costs: one fee, *every* tool included

03

MONTH 1

£1,500

Set-up and website

MONTHS 2–3

£1,200

Founding price

MONTH 4 ONWARDS

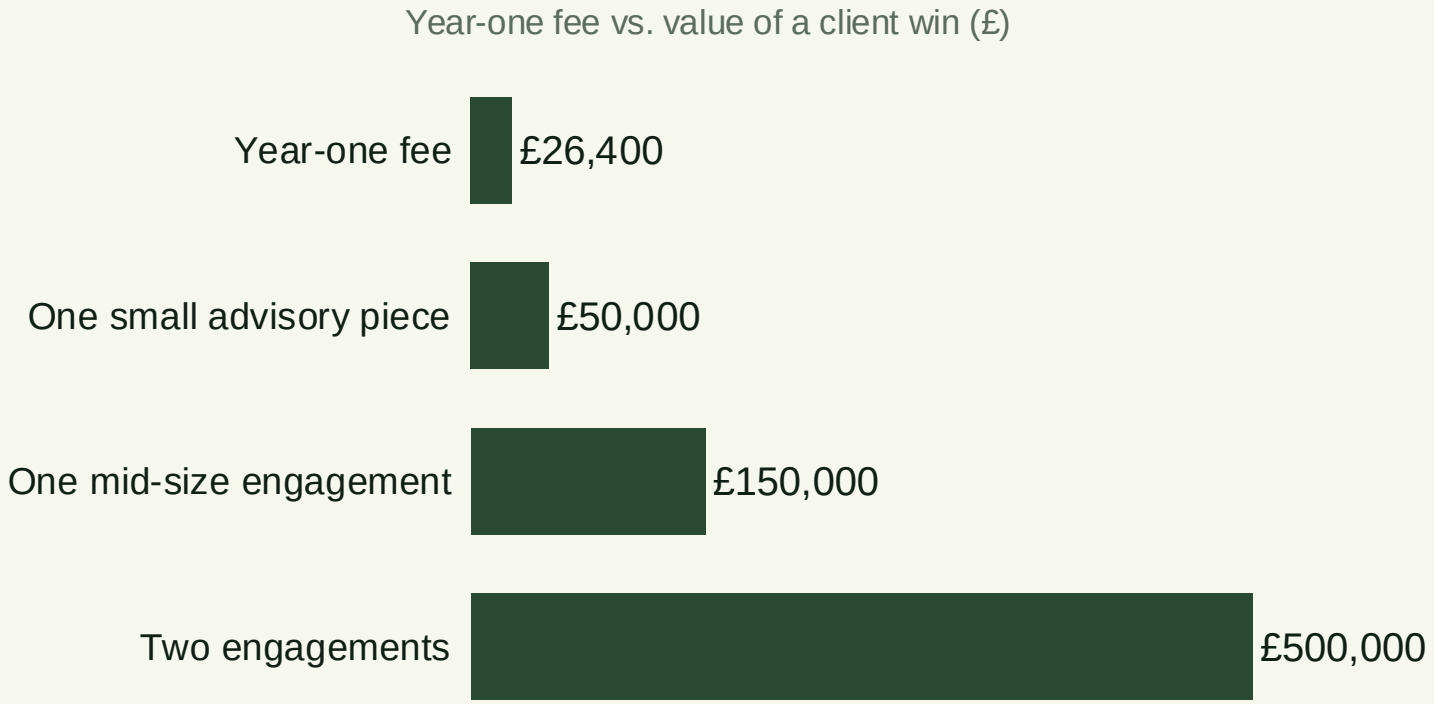

£2,500

Standard price

Our promise: at day 60 we review the results together. If we're behind plan, we fix it in writing, or the client can leave.

One client win can pay for *the whole year*

03

RETURN ON THE FEE

0.9×	small piece
2.8×	mid-size win
9.5×	two wins

Illustrative figures, not results. Year-one fee: £26,400.

04

Your role

How you can help, and how we’d work together.

Three ways you can help us *grow*

04

Advise

Sharpen our offer, pricing and pitch.

Guide

Help us choose the one market to focus on.

Introduce

Connect us with experts and firms who need us.

Where your experience *matters* most

04

Proof

No case study with hard numbers yet.

What proof would your network trust?

Focus

We work in three very different markets.

Which one should we own?

Pricing

Our price is tested with only one client.

Is it right for the value?

Growth

Two founders do sales and delivery.

When should we hire, and who?

How we could work together: *three* options

04

OUR SUGGESTION TO START

A. Referral partner

A share of fees from clients you introduce.

B. Advisor

Set hours each month, plus a smaller share of fees.

C. Strategic advisor

A small stake in Extol, once the fit is proven.

Start with A for 90 days, then review together and move to B or C if it works for both sides.

The first *90 days* together

04

WEEK 1

Agree the role and terms

DAY 30

Choose one market; list 10 people to introduce

DAY 60

First introductions and calls

DAY 90

First new client, then review

Today: which market do you know best? *Who comes to mind first?*

THANK YOU

You know the people. We build the *system*.

Together we can win the right clients, faster.
